Most of the templates include extra design variations, which will maximize your choice for creative solutions. Version 2.0 retains 60 templates from the previous release and adds 100 new Mail Stationery templates for Mail. Included are a number of templates designed especially for Halloween holiday.

Vilnius, Lithuania - iPresentee, the developer of add-ons for Apple's iWork and iLife applications, today released Mail Stationery 2.0 templates to be used with Apple's Mail software. Mail Stationery 2.0 is an outstanding collection of 160 premium quality and fun templates for Apple Mail. The new release retains 60 templates from the previous release and adds 100 new Mail Stationery templates for Mail. Furthermore iPresentee offers a number Mail Stationery templates for free. Add new fun and creative Stationery Templates to Mac OS X Mail and send your best wishes and greetings to all you care about.

Most of the templates include extra design variations, which will maximize your choice for creative solutions. Creating an e-mail with iPresentee Mail Stationery templates is exactly the same as creating an e-mail using the ordinary Mail Stationery templates. Messages created with Mail Stationery can be read by popular webmail services and email programs on both Mac computers and PCs. Moreover all Messages created with Mail Stationery can be viewed on iPhone, iPod touch or iPad.

New Mail Stationery templates comes with an installer to make sure the templates end up in the right place and would be displayed in Apple Mail New Message Stationery menu automatically. Halloween is coming! Do not miss the opportunity to send unique Halloween greeting cards to your friends, family members, colleagues or others. iPresentee has also included a number of Mail Stationery templates designed especially for Halloween holiday.
