TimeStream Software announces the update to Version 1.5 of its Disney World Mobile Guide iPhone app. Featuring updates to park information and product features, the newly updated Disney World Mobile Guide iPhone app includes a comprehensive array of valuable trip-planning and in-park resources, including Maps, Wait Times, Restaurants, Menus, Park Hours, Event Times, Attractions Listings, Disney Resort information, Phone Numbers and more, all with over 600 exclusive high-quality photos.

Portland, Oregon - TimeStream Software announces the update to version 1.5 of its Disney World Mobile Guide iPhone app. Touted as one of the top apps for Walt Disney World Resort by USAToday, MacObserver, DigitalDisneyWorld.com and others, the Disney World Mobile Guide Version 1.5 is updated with the newest park information, an additional 100 new photos, wait times enhancements, new Fantasyland attractions, updated "Annual Events", "What's New" and "What's Coming" sections, and photos and information for Disney's new Art of Animation Resort.

"Walt Disney said his theme parks 'would never be completed, as long as there is imagination in the world.' They'll always be changing," said Mike Westby of TimeStream Software. "Our Disney World Mobile Guide iPhone app keeps Guests up-to-date with all the changes and everything that is happening at Walt Disney World Resort, all in a fun, colorful and informative way."

With accurate Wait Times, Interactive Maps, Restaurants, Menus, Park Hours and Event Times, Attractions, Hotel Information, Phone Numbers, Tips and more, complete with more than 600 exclusive high-quality photos, the "Disney World Mobile Guide" iPhone app is one of the most comprehensive mobile vacation planners and in-park guides available for Walt Disney World Resort today, covering nearly every aspect of the entire resort and all four theme parks, including the Magic Kingdom(R), Epcot(R), Disney's Animal Kingdom(R) and Disney's Hollywood Studios(TM).

The "Disney World Mobile Guide" is the new name given to TimeStream Software's flagship "Walt Disney World Pro" app. Available now from the iTunes App Store, the new Disney World Mobile Guide app contains a complete array of valuable resources, including:
