

Preview the Visio Drawing on iPhone and iPad with Nektony VSD Viewer

Published on 07/11/12

Nektony has introduced VSD Viewer 1.0, an application which allows users to open and view Visio diagrams on iPad and iPhone. VSD Viewer enables iPad and iPhone owners to discover the advantages of using Visio drawings, diagrams, charts, and illustrations in a mobile environment. By using VSD Viewer users can easily distribute Visio drawings to team members, partners, customers, or others, regardless of whether they have Microsoft Visio installed on their computers.

Odessa, Ukraine - Nektony has announced the release and immediate availability of VSD Viewer 1.0, an application which allows users to open and view Visio diagrams on iPad and iPhone. The format of Microsoft Visio files (vsd) is a binary proprietary format developed by Microsoft. VSD Viewer supports the Visio's native binary vsd file format enabling users preview Visio documents on their mobile devices.

VSD Viewer enables iPad and iPhone owners to discover the advantages of using Visio drawings, diagrams, charts, and illustrations in a mobile environment. By using VSD Viewer users can easily distribute Visio drawings to team members, partners, customers, or others, regardless of whether they have Microsoft Visio installed on their computers.

Viewing Visio drawings is as simple as clicking the drawing (files with a .vsd extension) on iPad or iPhone. VSD Viewer will render the drawing in the proper window. Also it enables users to: preview Visio drawings, navigate multi-page drawings, select and copy text. The VSD Viewer is ideal for users who had to just open and preview Visio diagrams as reference. VSD Viewer is especially useful for teams that need to collaborate from remote places.

Device Requirements:

- * iPhone 3GS, iPhone 4, iPhone 4S, 3/4G iPod touch and iPad
- * Requires iOS 4.3 or later
- * 1.1 MB

Pricing and Availability:

VSD Viewer 1.0 is only \$0.99 USD (or equivalent amount in other currencies) and available worldwide exclusively through the App Store in the Business category.
