

ValentineMaker iPhone App - Create and Email Valentines

Published on 01/20/10

Hendrickson Software Components today announces ValentineMaker 1.0 for iPhone and iPod touch devices. ValentineMaker can create and email Valentine's Day greetings using the photos from the user's photo library. It is a must-have app for iPhone and iPod touch users who want a fun and easy way to send Valentine's Day greetings to loved ones. Great for letting the people in your life know that you are thinking about them on Valentine's day.

Arlington, Virginia - Jeff Hendrickson presents the essential iPhone, and iPod touch app to create and email Valentine's Day greetings using the photos from the user's photo library. ValentineMaker is a must-have app for iPhone and iPod touch users who want a fun and easy way to send Valentine's Day greetings to loved ones.

Want to create and email Valentines greetings using the photos of people or pets in your iPhone or iPod touch photo library? ValentineMaker is ready! With the photos from your iPhone or iPod touch photo library, use ValentineMaker to select a photo, add one of the Valentine hearts decorations, and let the fun begin. After creating your Valentine greeting, email it to your Valentines! Great for letting the people in your life know that you are thinking about them on Valentine's day!
