

Objective Decision releases Contactizer 3.8.4 - Business Management

Published on 01/20/10

Objective Decision today announces the release of Contactizer 3.8.4, an update to their popular CRM application for Mac OS X. Contactizer is an all-in-one solution for managing, sharing and organizing personal and business information. Contactizer Pro 3.8 makes contact management experience more efficient, productive and inventive thanks a wealth of high-performing and innovative features.

Miami, Florida - Objective Decision the makers of the business management software Contactizer, today announced the latest release of its software version 3.8.4. With this release, Contactizer delivers a dozen of issue fixes or enhanced features and is highly recommended for all current users.

Contactizer 3.8 is a major upgrade that includes powerful new features to manage your professional life. Contactizer 3.8 mainly sports full 10.6 compatibility, the capability to subscribe to online ICS calendars, a better Projects / Tasks integration, a new filter bar and many other user interface enhancements expanding your productivity.

Today, many users worldwide continue to choose Contactizer for their calendar, organizational and management needs. Contactizer, specifically built for Mac OS X, provides a wealth of powerful PIM features, all through an innovative, elegant and intuitive interface.

System requirements:

Contactizer 3.8 is fully compatible with Mac OS X 10.5 Leopard and Mac OS X 10.6 Snow Leopard and it is distributed as a Universal Binary and runs natively on both PowerPC and Intel based Macs.

Pricing and Availability:

This upgrade is free for all registered 3.5 and Contactizer users and is 33 MB in size. v3.1.x and previous licence owners are invited to pay a \$69 (USD) fee to upgrade. Contactizer Express or Pro 3.8 can be tested for free by downloading the 30 days demo version. Contactizer Pro retails for EUR 99 or \$119 (USD) and Express release for EUR 49 or \$54.90 (USD); quantity discounts and educational pricing are available.
