

Linkinus 2 for Mac OS X - Taking IRC to the Next Level Again

Published on 01/21/10

Conceited Software today announces Linkinus 2.1.2, an advanced chat app for Mac OS X. Linkinus 2 provides a rich, social IRC experience, featuring embedded media, short URL expansion, message starring, combined chats, emoticons, and much more. Assign colors to chat participants, grouping consecutive messages into a unique block, customizing emoticons, smart scrolling, putting the spotlight on specific channel users, jumping to highlights and being alerted of relevant content automatically.

Paris, France - Conceited Software today is pleased to announce the immediate release of Linkinus 2.1.2, an advanced chat app for Mac OS X. Linkinus 2 provides a rich, social IRC experience; featuring embedded media, short URL expansion, message starring, combined chats, emoticons, and much more!

Linkinus brings unique features to the users' IRC experience with unique features such as assigning colors to chat participants, grouping consecutive messages into a unique block, customizing emoticons, smart scrolling, putting the spotlight on specific channel users, jumping to highlights and being alerted of relevant content automatically...

Feature Highlights:

- * Groups - Efficient multi-channel chats
- * Filters - Teach Linkinus what you do and don't want to see in IRC chats
- * Highlights & Stars - Setup alerts for relevant content and special messages
- * Log Viewer - Find and view past conversations
- * Embedded Media - View rich content within channels on a per-user or per-network basis. Supported services include Flickr, YouTube, Vimeo, Google Video, College Humor, Revision 3, and many more. Linkinus can also automatically expand shortened URLs.

New in version 2.1.2:

- * Performance improvements
- * Network picker, channel list and ban list now offer both icon and list view styles

Minimum Requirements:

- * Mac OS X 10.5.8 Leopard or Mac OS X 10.6 Snow Leopard
- * Universal Binary for PowerPC and Intel
- * 20 MB of Hard Drive Space

Pricing and Availability:

Linkinus 2.x requires 10.5 or greater, costs 19.99 Euro and a 15 day free trial is available. Student, multi-user, and 1.x upgrade discounts are also available.
