Hong Kong - Dsstyles has released 2 new Swarovski product lines, the Blackberry Swarovski Case and the Nokia Swarovski Case. Dsstyles believe that not only Apple iPhone users want to make their phone unique by carrying with DS. Crystal cases, but also other brand users like Nokia and Blackberry. More than 30% of mobile phone users are now using smart phones and this percentage is predicted to be 50% by year 2011. The internet giant Google is also taking part in the smart phone business by launching its Nexus One.

What we see nowadays is phone users tend to look for something unique and personalized when so many people are using the same phone model. The iPhone 3GS has been sold more than 20,000,000 pieces since launch. You can see this trend clearly by seeing the Google Nexus One mobile phone offering a free engraving service. With the Swarovski cases from Dsstyles, you can always make your phone different from others; you can always catch people's attention for your bling Swarovski phone case.

As recognized by Swarovski with Crystallized ID: 1522109, each DS. Crystal phone case is featuring over 1,500 pieces of Crystallized Swarovski Elements, each pieces of crystals is hand crafted by our experienced craftsman.
