Beijing-based game design studio Beiz releases free version of the popular children's flag game, Lola's Flag adventure, for iPhone and iPod Touch. The game is App Store's featured "What We're Playing" game around the world in January 2010. Lola's Flag Adventure features high-quality voice guidance, easy-to-use interface and thoroughly designed panda graphics. It includes two games; memory game for children who cannot read yet and flag trivia for older children.

Beijing, China - Game design studio Beiz releases free version of the popular children's flag game, Lola's Flag adventure, for iPhone and iPod Touch. The game is App Store's featured "What We're Playing" game around the world in January 2010. Lola's Flag Adventure features high-quality voice guidance, easy-to-use interface and thoroughly designed panda graphics. It includes two games; memory game for children who cannot read yet and flag trivia for older children. The game provides fun and challenge both for preschoolers and junior school children.

Lola's Flag Adventure Key Features:

- * Two game modes to learn flags: Memory and Trivia
- * High quality voice guidance throughout the game
- * Easy-to-use children-friendly game design
- * Flags of the biggest countries from Americas, Europe and Asia-Pacific.

Full version of the game is available for 1.99\$ on Apple's App Store. Currently it has two language versions - English and simplified Chinese, but more will be added in future.

Game reviews:

If you're looking for an app that will help your children learn the world's flags, Lola's Flag Adventure is a cute one. - iPhoneMom

Lola's Flag Adventure is the perfect union of learning and fun and I found it to be an enchanting and engrossing game that will certainly appeal to kids of all ages. - GiggleApps

I would recommend Lola's Flag Adventure for anyone of any age if you want to make learning flags of countries fun! -Mama's Money Savers

If you like getting good educational games to entertain your kids when they're bored and you're stuck in the car or in line somewhere, this is a great option! - Motherhood Moment
