

## **Football Toss 2010 gears you up for the Superbowl**

Published on 02/03/10

FeelSocial Inc. has released Football Toss 2010 for iPhone and iPod Touch users. Football Toss 2010 is an addictive first person game based on the classic backyard game comprising of throwing a Football through a swinging tire. It brings unique realism by putting together a physics engine that takes factors such as gravity and angles into account. With state of the art 3D graphics and realistic physics engine in place, football fans are certain to be impressed at the attention to detail.

San Francisco, CA - Announcing that FeelSocial Inc., the developers of Football Toss 2010, have released an app that allows users to compete against their friends to achieve high scores and show off their passing skills. Toss the Football through the swinging tire using your iDevice and beat the high scores.

Football Toss 2010 brings a unique realism to the iDevice gaming front by putting together a physics engine that takes factors such as gravity and angles into account. If your football ricochets off the tire, you will notice how well designed the physical aspects are.

Football Toss 2010 is the newest addition to the already booming tossing platform on the iDevices. Whether you are looking to kill a few minutes waiting for the bus, or need to spend extended periods of time such an entire commute, this application is the perfect solution. Three different difficulty levels will keep you coming back time and again to achieve high scores.

Football Toss 2010 Features:

- \* Three difficulty levels; easy, medium & hard.
- \* Stunning animated 3D environment.
- \* Physics engine with attention to realism in trajectory, gravity and ricochet.
- \* High score tracking for competing with friends.

Pass the iDevice around at your next Football party and let the pre-game festivities begin. Get everyone in the mood by having a quick round of Football Toss to see who has the sharpest aim amongst your friends. Football Toss 2010 is quick, fun and has difficulty levels for people of all ages to be able to enjoy.

Device Requirements:

iPhone or iPod Touch 2.2.1 or later

Pricing and Availability:

Football Toss 2010 is only \$0.99 (USD) and available worldwide exclusively through the App Store in the Entertainment category. Promo codes are available for qualified reviewers. Please specify the website or blog you represent when making your request.
