

Divine Fiat releases the Classic Theme for Apple Keynote

Published on 02/03/10

Divine Fiat today announces Classic, their new theme for Apple's Keynote Presentation Software. The Classic Theme is the perfectly named theme. Its entire look and feel is a throw back to a different era - an era with class and style. The heavy Baskerville font juxtaposed with the airy Helvetica Neue Light font all against a subtly textured and patterned background of reds, browns and a hint of gold bring a timeless weight and authority to your presentations.

Jacksonville, Florida - Divine Fiat today is pleased to announce Classic, their new theme for Apple's Keynote Presentation Software. The Classic Theme is the perfectly named theme. Its entire look and feel is a throw back to a different era - an era with class and style. The heavy Baskerville font juxtaposed with the airy Helvetica Neue Light font all against a subtly textured and patterned background of reds, browns and a hint of gold bring a timeless weight and authority to your presentations.

Feature Highlights:

- * Supports Keynote Version: 5.0
- * Features the Baskerville font juxtaposed with Helvetica Neue Light
- * Supports 800, 1024, 1280, 1680 & 1920 Theme Sizes
- * Text Layouts: 12
- * Photo Layouts: 58
- * Total Layouts: 70

"The Classic theme harkens back to a different time to borrow gravitas but it is still as contemporary as the Contemporary theme with which it is paired" said Phillip Gore, founder of Divine Fiat.

Classic provides a number of different customizable scrollwork objects along with our standard selection of customizable icon objects to change up the look and feel of your presentations. Texture and color swatches along with six suggested alternate picture frames completes the package and allows you to create presentations that stand out from the crowd.

Minimum Requirements:

- * Mac OS X Version 10.4 Tiger or later (Leopard and Snow Leopard Compatible)
- * Keynote Version: 5.0 or later
- * 27.8 MB Hard Drive space
- * Baskerville and Helvetica Neue Light fonts Required

Pricing and Availability:

Classic is available immediately for \$26.00 (USD). The Contemporary and Classic Theme Set, which includes Classic along with the Contemporary theme, may be purchased for \$46.80, a 10% savings over buying individually.
