

Unmarked Software Offers Macworld 2010 Online Show Special

Published on 02/10/10

unmarked software today announced its Macworld 2010 Online Show Special with a 20% discount available on TextSoap for attendees and non-attendees alike. The Macworld Expo Show Special discount is valid on new licenses of TextSoap 6, TextSoap 6 Family Pack and TextSoap 6 Small Business Pack. The offer extends through February 20, 2010 to accommodate traveling Macworld Expo 2010 attendees.

San Francisco, CA - Macworld Expo 2010 - unmarked software today is pleased to announce its Macworld 2010 Online Show Special with a 20% discount on TextSoap for attendees and non-attendees alike.

"As we approach twelve years of TextSoap enhanced productivity, we are excited about this year's Macworld Expo as a celebration of the community of Mac enthusiasts," said Mark Munz, founder and President of unmarked software. "We invite everyone to join in the celebration and enjoy the show-special 20% discount on TextSoap for Mac from our online store."

The 20% Macworld Expo Show Special discount is valid on new licenses of:

- * TextSoap 6
- * TextSoap 6 Family Pack
- * TextSoap 6 Small Business Pack

The offer extends through February 20, 2010 to accommodate traveling Macworld Conference and Expo 2010 attendees. Prices do not include applicable taxes. To take advantage of this offer, visit the unmarked software online store, add TextSoap 6 to your shopping cart, and apply the promo code: MACWORLD2010

Supported Languages:

- * US English

System Requirements:

- * Requires Mac OS X v10.5 or later
- * Universal Binary: Supports both Intel and PowerPC
- * 14 MB hard Drive space

Clean your text with just a click. TextSoap 6 is the premier text processing tool supporting both plain and rich text alike. Powerful control of text and style with the simplicity of a click. TextSoap 6 includes integration options to allow you to use its features right inside favorite applications like Mail, AppleWorks, BBEdit, Coda, and more. Custom cleaners allow users to create completely customized solutions for your specific task with easy to use drag and drop.
