Chicago, Illinois - Renkara Media Group has announced the release of AccelaStudy Arabic for iPhone and iPod touch. With the addition of Arabic, AccelaStudy is now available in 17 languages. Using AccelaStudy's award-winning language study tools, students will quickly master Arabic vocabulary and pronunciation with ease.

Features of AccelaStudy Arabic include:

- * A comprehensive 2,300 word vocabulary list divided into more than 60 subject areas, including travel, food, occupational, health and body, and even advanced topics such as economics, investment banking, and finance.
- * Over 150 of the most common verbs are included.
- * All Arabic words are properly rendered right-to-left.
- * Students can create custom study sets of vocabulary words within the application. Study sets can be of any size. Custom study sets allow a student to focus on words which are more interesting or important to them.
- * Several modes of study, including flashcards and a quiz mode, allow the student to study in the fashion most comfortable and intuitive for them. The quiz mode is an excellent way to measure progress.
- * All vocabulary words are quickly searchable making it easy to look up unfamiliar words on the go.

Please see the AccelaStudy website for screenshots and additional information.
