

## **Celebrate Macworld 2010 TopXNotes Sale Extended**

Published on 02/15/10

Tropical Software, Inc. today announced a TopXNotes "Celebrate Macworld 2010" promotion this week. TopXNotes is an award-winning full-featured personal note manager. Tropical Software offered a discount off TopXNotes during Macworld 2010 and that sale has been extended a week so those who only found out about TopXNotes late in the week will have time for a trial. Go to our website, take the new iPad survey.

Atlantic Beach, Florida - Tropical Software today is pleased to announce a TopXNotes "Celebrate Macworld 2010" promotion this week. TopXNotes is an award-winning full-featured personal note manager. Tropical Software, Inc. offered a discount of \$10 off TopXNotes during Macworld 2010 and that sale has been extended a week so those who only found out about TopXNotes late in the week will have time for a trial. Go to our website, take the new iPad survey, and get \$10 off TopXNotes.

### Why TopXNotes?

- \* Looking for a great place to take notes on the latest news to come out of Macworld?
- \* Looking to organize all those little bits of information we all have to deal with in the modern digital world?
- \* Looking to get all your, notes, lists, and tasks in one place?
- \* Looking for instant desktop access to your most important information?
- \* Looking to secure your most sensitive personal information?

TopXNotes does it all and more! You don't need a note or task manager that takes more time to learn than to use. You want a simple, easy to learn, easy to use personal information manager, like TopXNotes.

With versatile TopXNotes you can:

- \* Create notes easily
- \* Access your key notes instantly
- \* View notes in multiple ways
- \* Organize your important information
- \* Secure critical information

TopXNotes has been awarded 4 out of 5 mice by Macworld magazine in their "Summer of Mac Gems" series of reviews and 9 of 10 by Macsimum News. TopXNotes was favored by the Macworld reviewer for its "clean, single window interface that puts controls for highlighting and marking up your text right at your fingertips," as well as its exclusive QuickNotes feature.

TopXNotes is a full-featured personal information manager. Create, view, organize, and instantly access your Mac notes with TopXNotes. You can also encrypt sensitive information to protect it and create iPod notes with TopXNotes.

Get Organized With TopXNotes and Save Today!

Also, we are about to start TopXNotes iPhone beta round 2 and looking for more testers. If you want to help test a new version of TopXNotes for iPhone and iTouch, please contact us.
