

FlipTalk 2.0 released - Popular iPhone App Lets You Talk Backwards

Published on 02/16/10

Independent iPhone developer Doug McCoy has released FlipTalk 2.0 for iPhone and iPod touch devices. FlipTalk is a fun new iPhone app that lets you record your voice, music, or any sound and hear it played backwards. It sounds simple but it is fun and quite entertaining. Also, you can post your recordings right to your Facebook wall. FlipTalk has a beautiful interface and is already a hit in iTunes, as featured on the iTunes "What's Hot" list and is steadily in the top 100 Entertainment apps.

San Francisco, California - Independent iPhone developer Doug McCoy has released FlipTalk 2.0 for iPhone and iPod touch devices. FlipTalk is a new, easy to use, hilariously fun app that lets you record your voice, music, or any sound and hear it played backwards. It sounds simple but it is fun and quite entertaining. Also, you can post your recordings right to your Facebook wall. It has a beautiful interface and is already a hit in iTunes.

The best part comes next. Practice speaking the backwards FlipTalk and then record it. When you play the new recording flipped backwards, do you end up with the same phrase you started with? How good of a FlipTalker are you? Fun and easy! You will definitely get a laugh.

Feature Highlights:

- * Play your recording Forward and Flipped
- * Undo your previous recording if you mess up
- * Post your FlipTalks to Facebook
- * Share your FlipTalks via email
- * Save your FlipTalks to the Favorites
- * Example phrases show you how easy it is

Make it a game where you pass it around among friends and try to decipher what the other is saying. Or post your FlipTalks to Facebook and take the game worldwide! Post your voice to Facebook! Post a funny or meaningful message to your friends' Facebook pages, right in your own voice. It plays right on the Facebook page! Say Happy Birthday, Congratulations, or I Love You! The possibilities are endless. You can send the same messages via email too! Send jumbled messages or funny recordings to your friends. Trade back and forth to see who is the best FlipTalker.

Device Requirements:

- * iPhone and iPod touch (2nd generation)
- * Requires iPhone OS 3.0 or later
- * 0.5 MB

Pricing and Availability:

FlipTalk 2.0 is \$1.99 (USD) and available exclusively through the App Store in the Entertainment category. FlipTalk is featured on the iTunes "What's Hot" list and is steadily one of the Top 100 Entertainment apps in the App Store.
