

Vinotekasoftware releases Vinoteka 1.6 for Mac OS X - Wine Cellar Manager

Published on 02/17/10

Vinotekasoftware today announces Vinoteka 1.6, a major update to their ultimate wine cellar management solution for Mac OS X. Customizable and user-friendly, straight-to-the point and nevertheless very professional, Vinoteka is the ultimate companion every wine lover needs. Version 1.6 sports many new and major feature improvements and enhancements and is a highly recommended update.

Prague, Czech Republic - Vinotekasoftware unveils a new major version of Vinoteka, Vinoteka 1.6, the ultimate wine cellar management software for Mac. In a unique and gorgeous interface showing bottles, cellars and tasting notes, Vinoteka brings the best wine cellar management experience to Mac users.

Extremely easy and fun to use, Vinoteka offers a fantastic and realistic environment to manage your references, your bottles (wine, liquors or spirits), recreate your cellar, save your tasting notes and add your own food and wine pairings. The very new feature of Vinoteka, which provides autofilling of some reference fields, provides users with the most advanced technology in terms of wine management. Customizable and user-friendly, straight-to-the point and nevertheless very professional, Vinoteka is the ultimate companion every wine lover needs.

Vinoteka, other than being as intuitive as possible, is based on the latest Mac OS X Leopard technologies and brings a wealth of high-performing and innovative features. Vinoteka reaches the Apple state-of-art in terms of power and usability. Vinoteka is also from now on fully compatible with the new coming Mac OS X 10.6 Snow Leopard.

The 2 other big news about Vinoteka: the Vinoteka Gift Card and a new localization in Spanish. You can now offer Vinoteka as a gift: buy a license and choose to offer it in a Gift Card; just select the card you prefer, add your personalized message, select the sending date and we will take care of sending the gift card to the recipient. And Vinoteka is now available in Spanish, after English, French, German, Italian and Portuguese.
