

iGrenaded for the iPhone - Best app for all you Wingmen

Published on 02/18/10

iOlivia has announced iGrenaded 1.2 for iPhone and iPod touch devices. iGrenaded is a fun and entertaining application that perpetuates the famous wingman scenario of having to jump on the grenade and sacrifice yourself for your friends. Have you ever been put into a situation where a friend wants to meet someone but they have a friend that needs to be kept busy as well? Sometimes that friend is not all that desirable or just not your type so you have to make a sacrifice.

New York, NY/USA - iOlivia is pleased to announce the release of iGrenaded 1.2 for iPhone and iPod touch devices. iGrenaded is a fun and entertaining application that perpetuates the famous wingman scenario of having to jump on the grenade and sacrifice yourself for your friends.

Have you ever been put into a situation where a friend wants to meet someone but they have a friend that needs to be kept busy as well? Sometimes that friend is not all that desirable or just not your type so you have to make a sacrifice. That's referred to as jumping on the grenade.

Now, with the iGrenaded app for the iPhone you can at least have some fun and journal the entire situation. Use the iGrenaded app to take a picture and rate the person on different subjects then email it, twitter or upload it to face book in real time to tell your story. Keep a history of all the sacrifices made for your friends.

iGrenaded features include:

- * Photos - Take a photo of the grenade you have to jump on
- * Type - Choose from a list of predefined descriptions and definitions
- * Duration - The amount of time you can stand talking with the person
- * Breath - Do they need a mint?
- * Rating - Overall rating
- * Intellect - Dumb as a Brick?
- * Special Notes - Record notes about the situation
- * Email - Email content and photos to your friends
- * Twitter - Upload information and photos to Twitter
- * Face Book - Upload information and photos to Face Book

Device Requirements:

- * iPhone and iPod touch
- * Requires iPhone OS 3.1 or later
- * 0.6 MB

Pricing and Availability:

iGrenaded 1.2 is only \$0.99 (USD) and available exclusively through the App Store in the Entertainment category.
