Prague, Czech Republic - ZENTITY today is pleased to announce that Touch Carrom becomes the new #1 selling game in India. Touch Carrom 1.1.4 is the most realistic Carrom board game on the iPhone and iPod Touch. Touch Carrom brings the power of touch controls to the game with the passion and skills just like the real game. The game leads in both the categories it is listed under, board and sports games. The game is also an over all top 10 selling app overall.

Carrom is a board game played on a smooth wooden square board with pockets at each corner.

The goal is to collect your color of the carrom-men (wooden coin like pieces) by pocketing them with a Striker hit. One carrom-man equals one point, queen (red carrom-man) equals three points. Queen's three points are counted only if that player also wins the board. A match is won from best of three games. A game is won by getting twenty five points or best of eight boards, whichever comes first.
