

Lion Arch Dev releases PingyJumper 1.0 for iPhone - Penguins CAN Fly

Published on 02/28/10

New Mexico based Lion Arch Dev Co. has released PingyJumper 1.0 for iPhone and iPod touch devices. Pingy is a young, adventurous and brave little penguin from Antarctica. His only d takes to fly with the eagles? Try to help Pingy with his dream and keep him climbing higher and higher to earn huge bonus points by collecting the fish he comes across that are scattered throughout the game.

Rio Rancho, New Mexico - Lion Arch Dev Co. has released PingyJumper 1.0 for iPhone and i H f with the eagles?

W the clouds and live his dream, if even for a short while. Try to help Pingy with his dream and keep him climbing higher and higher to earn HUGE bonus points by collecting the fish he comes across that are scattered throughout the game. The higher you go, the higher the point bonuses will be.

Move your device left and right to guide him. He needs to land on the ice blocks to climb h way to past the time and maybe even find a new friend in Pingy. Inspired by the top-selling Doodle Jump game among other great games in the iTunes app store. Download this great app today and start showing the world that Penguins can fly and have fun doing so.

Device Requirements:

- * iPhone and iPod touch
- * Requires iPhone OS 3.0 or later
- * 0.7 MB

Pricing and Availability:

PingyJumper 1.0 is \$0.99 (USD) and available exclusively through the App Store in the Games category.
