Hong Kong - CAZE today is pleased to announce JADE Polish Rainbow Swarovski case, a crystallized version of its JADE Polish See-Thru for iPhone 3G and 3GS. JADE Polish is a See-Thru iPhone case featuring an Anti-Interference translucent coating. The crystallized version of Jade Polish adds more than 50 Swarovski crystals of different colors at the bottom of the case to form a beautiful rainbow pattern

CAZE is creating new iPhone case styles by mixing colors and crystals. The JADE Polish See-Thru is characterized by Anti-Signal Interference feature and Shiny color effects. In this new version, CAZE adorned JADE Polish with high quality Swarovski Crystals to form a beautiful and charming rainbow pattern. The Free Swarovski Crystal Apple logo features more than 40 crystals and is visible from outside the case for a classy look. The crystallized version does not only add personal chic but also protect all corners of your iPhone, including the chrome edges. JADE Polish Rainbow See-Thru case combining with the Free Swarovski Apple logo will give extra sparkle and shining effects to your iPhone.

Customers who buy JADE Polish Rainbow from CAZE will get an iPhone Stand, a Mirror Screen Protector, an Anti-FingerPrint Screen Protector, a Microfiber Cleaning Pouch and a Swarovski Apple Logo for free.

iPhone CAZE designs and manufactures high quality, fashionable and unique iPhone cases for iPhone 3G/3GS in a wide assortment of styles and colors. iPhone CAZE offers a variety of cases of different materials from leather, metallic, fabric, silicone to swarovski crystal. Products will be shipped within 24 hours during weekday and 30 Days Money Back Guarantee is provided.

iPhone CAZE started its business at a small shop with handmade products at the beginning and proudly released its first iPhone case in 2007. Due to the spread of word and increasing demand of overseas orders, iPhone CAZE began to take orders on its website in 2009. iPhone CAZE admires fashion, using leather, fabric, metal, polymer and swarovski crystal, to bring something luxury and special on iPhone for any occasion.
