

Bartas Technologies Offers Holiday Deals

Published on 12/06/07

Bartas Technologies is offering 40% off the total sale price for any purchase. Customers can present the coupon code upon checkout to receive the discount on any Bartas Technologies shareware software products, including CopyWrite, Transcriva, Temporis, and XTabulator. The offer is valid through Tuesday, January 1, 2008.

FOR IMMEDIATE RELEASE

Bartas Technologies is offering 40% off the total sale price for any purchase. Customers can present the coupon code "HOLIDAYS07" upon checkout to receive the discount on any Bartas Technologies shareware software products (CopyWrite, Transcriva, Temporis, and XTabulator). The offer is valid through Tuesday, January 1, 2008.

To participate in the offer, customers must enter HOLIDAYS07 in the coupon code field on the shopping cart page of the Bartas Technologies web store. For details and rules, see the "Happy Holidays Offer" page on the Bartas Technologies web site.

Happy Holidays Offer:
