- * Automatically bookmarks each chapter as needed

"When I was much younger, my father had a copy of 'A Book Of Five Rings' and while at that age I didn't fully understand it, I knew there was something very special about it. I particularly enjoyed the 9 points towards the end of The Ground Book even then. Reading it again now, I have a new perspective and appreciation of it. I hope readers enjoy it and gain from it as much as I do." - said Gregg Levine, Founder of 288 Vroom LLC

System Requirements:

- * iPhone and iPod touch
- * Requires iPhone OS 3.0 or later
- * 9.0 MB

Pricing and Availability:

A Book Of Five Rings 1.0 is only \$0.99 (USD) and available worldwide exclusively through the App Store in the Books category. Review copies are available upon request. All future updates are included with initial purchase.

Based in Bridgewater, New Jersey, 288 Vroom LLC is a privately held corporation founded in 2009 by Gregg Levine. With over ten years working for major pharmaceutical and wireless communication companies, Gregg's aim is developing unique and useful software for the iPhone platform, complemented by first-class customer support. An aspiring fiction writer, Gregg Levine felt that with his development and business experience and love of literature, creating great book apps for the iPhone/iPod touch was a perfect place to start. 288 Vroom's first app, 301 Short Stories, was featured in 'What's Hot' on iTunes and became the #1 Top Paid Book app. Their new app, 100 Horror Stories, Sounds, And Scares, is quickly climbing the AppStore charts.
