

## **Spray Can Update 2.2 - The best graffiti app for iPhone just got better**

Published on 03/22/10

rapidrabbit today announces Spray Can 2.2 for iPhone and iPod touch. With over 1,000,000 downloads, Spray Can is the most successful graffiti app within the App Store. Version 2.2 adds more user-requested features like different backgrounds and new painting options. The Spray Can can be used as a pranking tool by shaking the device up and down and pressing the spray button. The second function is painting graffiti and submitting them to facebook or twitter.

Greifswald, Germany - rapidrabbit today is proud to announce version 2.2 of its iPhone app Spray Can. With over 1,000,000 downloads the Spray Can is the most successful graffiti app within the Apple AppStore. Version 2.2 adds more user-requested features like different backgrounds and new painting options.

Since it's release in May 2009 the Spray Can has found loyal fans worldwide and is still downloaded frequently. What started as a pranking app using the accelerometer features of the iPhone is a full blown graffiti app now. Driven by the community more and more features have been added until it has become the most downloaded graffiti app in the AppStore, reaching the TOP 100 of free apps in many Countries.

The Spray Can has two main functions. It can be used as a pranking tool by shaking the device up and down and pressing the spray button. We received a lot of reports by our fans that they have used this feature with great success. The second function is painting graffiti and submitting them to facebook or twitter. Just by swiping down, the wall can be painted by the user. It's a great way to send messages or create custom wallpapers.

Version 2.2 adds the following new features for free:

- \* users can now change the size of the spray jet
- \* users can switch the outline on and off
- \* 2 new backgrounds added - a subway train and a concrete wall

Supported Languages:

- \* US English, French, German and Italian

Device Requirements:

- \* iPhone and iPod touch
- \* Requires iPhone OS 3.0 or later
- \* 5.7 MB

Pricing and Availability:

Spray Can 2.2 free and available worldwide exclusively through the App Store in the Entertainment category.
