Dixon, Illinois - Dubu Industries is pleased to announce the release of Bloviater 1.0, the company's fifth app for iPhone and iPod touch devices. Bloviater helps you to instantly generate random, hilarious and profound sounding remarks. There you are. At your girlfriend's parents' place or perhaps you're out with your boss for some drinks. An awkward silence falls ... You need something witty to say. But let's face it, you don't have much in common and you certainly don't want to say anything that you may be called out on in further discussion.

Well, not to worry, your new app, The Bloviater, will quickly generate some totally random, horse s*&t to gloss over the tension. Caution, this app is somehow awesome, swell, keen and doesn't suck all at the same time. The Bloviater has hundreds of helpful words and phrases ready to randomly generate profound remarks for fun and to impress people. You might even be able to give a speech solely based on the comments it will generate for you.
