

## **Touch Teen Patti (Flash) launches - Introductory Price**

Published on 04/02/10

ZENTITY today is proud to announce immediate availability of Touch Teen Patti 1.0 for iPhone and iPod touch. Teen Patti is a card game similar to poker. The game is played worldwide and particularly popular in India and south-east Asia. Teen Patti recently featured in a movie of the same name. Teen Patti can be played with a minimum of 2 players but it's more fun with 4 or more players. The AI will challenge the players to an extreme and test not only your luck but your skills on the table.

Prague, Czech Republic - ZENTITY today is proud to announce immediate availability of Touch Teen Patti 1.0, the only Teen Patti game for the iPhone and the iPod touch. Teen Patti (also known as Flash or 3-cards) is a card game similar to poker. The game is played worldwide and particularly popular in India and south-east Asia. Teen Patti recently featured in a movie of the same name.

Teen Patti can be played with a minimum of 2 players but it's more fun with 4 or more players. Touch Teen Patti offers games of 4 or 6 players at the table. Touch Teen Patti brings the fun game with a great AI implementation and the best card game simulation. The realistic game play and intuitive touch controls make you feel right at home. The AI will challenge the players to an extreme and test not only your luck but your skills on the table.

This is the second game in the series of Indian traditional games launched by ZENTITY having released the classic board game Touch Carrom. Touch Carrom became the number #1 selling game in it's home market India and made it to top 10 and top 100 in many world markets.
