FOR IMMEDIATE RELEASE

February, 19 2007 - Macgamestore.com today announced the release of Big Fish Games' Travelogue 360 Paris on its web site.

Among its renowned landmarks and hidden gems waiting to be discovered, Paris holds something new for each of its visitors. Scour some of the world's most famous locations for souvenirs as you prepare to be interviewed for an upcoming article in Travelogue 360 magazine. Locate items hidden in 3-Dimensional views of the Eiffel Tower, down the Champs Elysees, under the Arc d'Triomphe, and others of Paris' most beloved landmarks. Find your own Paris in this incredible voyage.

Features:

- 2 eye catching locales
- Explorer and Tourist modes
- Thousands of souvenirs to find
- Learn Fun Facts along the way
- Mini-games galore

Travelogue 360 Paris is available at Macgamestore.com for \$19.95 as a digital download. A free Universal Binary demo of the game is available on the web page.
