This update adds integration with Apple Address Book, new Reflected Tile Core Image-based filters, ready-made wallpapers, Sparkle auto update functionality as well as improvements in user interface and fixing of minor bugs.

FOR IMMEDIATE RELEASE

December 21, 2007 - Polo Planet Software announces the release of Phone Wallpaper X version 1.1. The update adds integration with Apple Address Book, new Reflected Tile Core Image-based filters, ready-made wallpapers, Sparkle auto update functionality as well as improvements in user interface and fixing of minor bugs.

Integration with Apple Address Book allows using the contact photos in Photo Caller ID and Photo Call functions of mobile phones. Add fun effects to your digital photos with the latest Reflected Tile Core Image-based filters which are available in Leopard OS X. You can also upload ready-made wallpapers which fit the phones with the stated display resolution - it will make your first acquaintance with Phone Wallpaper X easy.

Pictures editing is easy due to the adaptable graphics editor that allows to crop images in accordance with the defined exact position and size. As soon as the wallpapers are ready, they can be placed in Wallpapers Gallery. Uploading to cell phones in batch mode is easy due to direct connection with the device through Bluetooth. Wide range of devices is supported by providing USB connection ability. Information on acquiring with a device is saved in preferences - this allows to make the process easy and clear.

Changes in Version 1.1:

- * Apple Address Book integration added;
- * New Reflected Tile Core Image-based filters added;
- * Flexible ready-made wallpapers added;
- * Sparkle auto update functionality;
- * Predefined display resolutions for popular phones;
- * Bluetooth connection fixed;
- * Current picture name is used when exporting;
- * Other improvements in user interface;
- * Fixing of minor bugs.

System requirements:

- * Mac OS X 10.4 or higher (Leopard OS X compatible)
- * At least 35MB of free disk space.

Phone Wallpaper X is full functional shareware with trial watermark. Christmas offer price: \$11.95 USD.
