

Walt Disney World iPhone App Updated With New Event Information

Published on 04/16/10

TimeStream Software today announces Walt Disney World Planner an update to its popular Notescast for the iPhone and iPod touch. Now with over 300 pages of in-depth interactive information and more than 500 colorful photos, the newest update provides the latest event information and more. It is a comprehensive vacation planner and in-park guide covering nearly every aspect of the entire resort and all four theme parks.

Portland, OR - TimeStream Software, the leading developer of Notescasts for the iPhone, iPod touch and iPod Legacy Devices, today is pleased to announce the release of Version 2.6 of its highly-rated "Walt Disney World" Notescast for the iPhone and iPod touch. "We're always working to keep our Notescast titles up-to-date." said Alex Nguyen of TimeStream Software. "Which is why this Notescast is often rated as a top app for Walt Disney World."

Now with over 300 pages of information, over 500 colorful photos and rich in-depth content, the newly updated Walt Disney World Notescast is rated as the "go-to" app for Walt Disney World and is considered a comprehensive vacation planner and in-park guide covering nearly every aspect of the entire resort and all four theme parks, including the Magic Kingdom(R), Epcot(R), Disney's Animal Kingdom(R), Disney's Hollywood Studios(TM) and more. Available from the iTunes App Store, the new Walt Disney World Notescast contains a wealth of valuable information, including:
