

## Icarus-X - Full 3D Vertical Shooter for the iPhone, iPod touch and iPad

Published on 04/16/10

The Quadsphere today announces Icarus-X 1.0, their new game for iPhone, iPad and iPod touch devices. Icarus-X is a full 3D vertical shooter, featuring fast paced action, epic boss battles, challenging achievements, downloadable replays and the mandatory online leaderboards. Icarus-x features downloadable replays, so that you can enjoy watching the best players in the world turn the game inside out. There is also a Slow-Motion Practice mode to learn the more difficult patterns at your own pace.

Labegude, France - The Quadsphere today is pleased to announce the release of Icarus-X 1.0, their new game for iPhone, iPad and iPod touch devices. Icarus-X is a Full 3D Vertical Shooter for Apple's iDevices, featuring fast paced action, epic boss battles, challenging achievements, downloadable replays and the mandatory online leaderboards!

You like Manic Shooters but you're bad at them - stay with us! Icarus-x features downloadable replays, so that you can enjoy watching the best players in the world turn the game inside out and pull out gigantic high scores. There is also a Slow-Motion Practice mode to learn the more difficult patterns at your own pace. Here are comments for our beta-testers:

"This is a solid and highly enjoyable shooter , great graphics great enemy patterns , wonderful atmosphere."

"This game has me hooked."

"The replayability in this game is nuts!"

"Hands-down the most beautiful shooter I've seen yet on the iPhone [...] it just totally jumps off the screen, and in a completely enjoyable way."
