Lucerne Systems announced the immediate availability of Horizon 1.3.5, the latest upgrade to its ground-breaking personal financial management system. Horizon Version 1.3.5 includes a number of updates and is available at a 10% discount through the MacSanta campaign.

Oakville, Ontario - December 24, 2007 - Lucerne Systems announced the immediate availability of Horizon 1.3.5, the latest upgrade to its ground-breaking personal financial management system. Horizon Version 1.3.5 includes a number of updates and is available at a 10% discount through the MacSanta campaign.

Horizon has been called "...undeniably good value," by MacUser UK, and "...a simple and easy to use product," by Surf-Bits Mac Review.

"We are pleased to be able to offer Horizon at a 10% Discount through MacSanta." said Iain Delaney, Lucerne Systems President. "Buyers can use the coupon code MACSANTA07TEN to get an instant 10% until the end of December."

Horizon Version 1.3.5 adds user-selectable date ranges for the Summary View, and a number of bug and performance fixes for the Weekly View. Horizon comes packed with other features, including the ability to toggle between a weekly and month view, an automatically updated summary view, easy drag-and-drop expression creation, extensive on-line help, and a number of introductory materials.

Pricing and Availability:

Horizon 1.3.5 is now available for a retail price of \$29.95 (US) through the Lucerne Systems web site. For December 2007, buyers can use the discount code MACSANTA07 to get a 10% discount when purchasing through the built-in store. Current users can upgrade to the latest version for free.
