

Space Shooter 2.0 Released - Now with Plus+ Support

Published on 04/24/10

Dokimi has released Space Shooter 2.0 for iPhone, iPod touch. Space Shooter is a fun and addictive space shooting game. Lock on to targets, shoot missiles, and work your way up to the hardest levels! Now with Plus+, it is even better. Shoot the spaceships and dodge the bullets that approach. How long can you last? Compete with your friends and the world to be number one.

Sydney, Australia - Dokimi has released Space Shooter 2.0 for iPhone, iPod touch. Space Shooter is a fun and addictive space shooting game! Now with Plus, it is even better. Shoot the spaceships and dodge the bullets that approach. How long can you last? Compete with your friends and the world to be number one. Version 2.0 comes with many new features:

- * 30 levels to begin with and over 30 unlockable levels in 3 different level packs
- * Gain awards and compete against the world with Plus

Space Shooter features addictive gameplay. Lock on to targets, shoot missiles, and work your way up to the hardest levels! As you progress the levels get harder so a challenge will always await you. Each level introduces a new difficulty, more powerful space ships and more helpful powerups. There is a wide variety of Space Ships and powerups there to make your experience more interesting. With so many levels you wont be stopping soon, as you compete against your friends and the world over the Plus network.

What is Plus+ ?

The Plus+ Network is a free service for you and your friends - join Plus+ to play against the world, earn awards and discover more of the games you like!

Device Requirements:

- * iPhone, iPod touch, and iPad
- * Requires iPhone OS 3.0 or later
- * 3.1 MB

Pricing and Availability:

Space Shooter 2.0 is free and available worldwide exclusively through the App Store in the Games category.
