

## TimeStream Software Announces Update to Walt Disney World iPhone App

Published on 05/14/10

Portland based TimeStream Software today announces Walt Disney World Notescast for iPhone and iPod touch. With over 300 pages of in-depth interactive information, complete with more than 500 dynamic photos, this highly-rated Disney theme park guide presents the latest event information. It is considered a comprehensive vacation planner and in-park guide covering nearly every aspect of the entire resort and all four theme parks.

Portland, Oregon - TimeStream Software today is pleased to announce the release of Version 2.7 of its highly-rated "Walt Disney World" Notescast app for the iPhone and iPod touch.

"This newest release reflects the exciting new events at Walt Disney World." said Mike Westby of TimeStream Software. "The theme parks are an ever-changing environment, with exciting new and constantly changing shows, attractions and events, and we stay up-to-date on all of it and bring it to guests with our newest Walt Disney World app."

Now with over 300 pages of information, more than 500 colorful photos and rich in-depth content, the newly updated Walt Disney World iPhone app is rated as the "go-to" app for Walt Disney World and is considered a comprehensive vacation planner and in-park guide covering nearly every aspect of the entire resort and all four theme parks, including the Magic Kingdom(R), Epcot(R), Disney's Animal Kingdom(R), Disney's Hollywood Studios(TM) and more. Available from the iTunes App Store, the new Walt Disney World Notescast contains a wealth of valuable information, including:
