Macgamestore.com and Gogii Games are proud to announce the release of Hidden Secrets: The Nightmare for the Macintosh. One of the best-selling game on Windows is now available for Mac users. In the game you must help Flora Dale recover her memory in this stunning mind/puzzle game.

Attempted murder victim Flora Dale wakes up briefly as she is rushed into the ER. Uncertain of how she got there, and unable to gather enough strength, she is unable to tell the doctors anything and quickly falls into a deep coma. As she lies trapped in her mind she begins a incredible adventure piecing together the puzzles and mystery that reveal clues about her life, her day, and what led up to the events which put her here. Will she solve the mystery? Will she wake up in time to name her attacker?

Features:

- * 30 complex mind/puzzle games to solve
- * 20 stunning puzzle scenes to find and complete
- * Beautiful sound track and dialogue to engage you
- * Hours and hours of game play to keep you entertained
