Published on 01/24/08

Would you give someone 40 hours of work for free? Would you do this every month? FMWebschool has the honor of producing a monthly FileMaker newsletter read by nearly 6000 FileMaker enthusiasts. Why do we have such a dedicated community? Two Words, quality content. Every FMWebschool newsletter contains at least 2 innovative ways to use FileMaker and includes unlocked sample files, marketing articles on how to grow your FileMaker business, a book review, and FileMaker news updates.

Richmond, VA - January 24, 2008 - FMWebschool, Inc. Announces a FileMaker Newsletter for developers of all levels.

Would you give someone 40 hours of work for free? Would you do this every month? FMWebschool has the honor of producing a monthly FileMaker newsletter read by nearly 6000 FileMaker enthusiasts. Why do we have such a dedicated community? Two Words, quality content.

Every FMWebschool newsletter contains at least 2 innovative ways to use FileMaker and includes unlocked sample files, marketing articles on how to grow your FileMaker business, a book review, and news updates as to what's happening in the FileMaker community.

The Newsletter is absolutely free and is sent out once a month. Subscribing to the newsletter is easy; visit the FMWebschool site and click on the "Join the FMWebschool newsletter" icon.

What are some of the recent sample FileMaker files included with the newsletter? In the November and December issue we included.

- * Faxing from FileMaker without a plug-in
- * Creating Exciting Google Charts with FileMaker
- * Using AJAX and FileMaker together
- * Cross Platform - PDF Generation from Instant Web Publishing
- * Record Audio from within FileMaker

The newsletter focuses on articles geared towards the FileMaker consultant. Many of the articles are marketing articles to help grow your business. We also like to include informative articles on topics such as wireless safety, identity theft and how-to articles? Articles from our past two newsletters include a series known as the "New Marketer" and focuses on blogs, podcast, forums and new technology to get the word out about your products and services.

- * The New Marketer (Part 1 of 4)
- * The New Marketer (Part 2 of 4)
- * The New Rules of Email Marketing
- * Do Your Customers Know What They Want?

Each month we also review books on small business and marketing. To date our company has read nearly 100 marketing and business books. This helps our readers save time and money by providing this service.

The newsletter also often includes guest writers that experts in their fields as well as special product discounts. Companies such as Adobe TechSmith, Wordware and FileMaker development companies have donated software or given excellent discounts to our newsletter subscribers.
