

## TopXNotes Featured on MacVoices TV with Chuck Joiner

Published on 09/13/10

Tropical Software founder James Lee was interviewed recently for MacVoices TV with Chuck Joiner. Jim discussed the company's flagship product, TopXNotes, as well as its new app for iPhone, iPod touch, and iPad called TopXNotes Touch. Jim also demonstrates TopXNotes many features, including MultiView and QuickNote. TopXNotes is a full-featured personal note manager. Create, view and multiview, organize, and instantly access your Mac notes with TopXNotes.

Atlantic Beach, Florida - Tropical Software founder James Lee was interviewed recently for MacVoices TV with Chuck Joiner. Jim discussed the company's flagship product, TopXNotes, as well as its new app for iPhone, iPod touch, and iPad called "TopXNotes Touch."

In the interview, Jim and Chuck discuss many of TopXNote's features, including the new "cloudless sync" between the recently released TopXNotes Touch and the TopXNotes desktop app. Jim also demonstrates TopXNotes many features, including MultiView and QuickNote. The interview - which is almost 30 minutes long - is available online at the MacVoices web site. For a limited time, Tropical Software is celebrating the interview with a special 20% discount. The coupon code is available on the MacVoices TV site. You receive the discount by entering the code in the coupon code field when checking out of Tropical Software's web store.

### What is TopXNotes

TopXNotes is a full-featured personal note manager. Create, view and multiview, organize, and instantly access your Mac notes with TopXNotes. You can also encrypt sensitive information to protect it and create iPod notes with TopXNotes.

With versatile, easy to learn and easy to use TopXNotes you can:

- \* Create notes easily
- \* Access your key notes instantly
- \* View notes in multiple ways
- \* Organize your important information
- \* Secure critical information
- \* Sync with multiple Apple touch devices including iPhone and iPod touch

Get Organized With TopXNotes. Unless you are full time manger you don't need a note or task manager that takes more time to learn than its intended purpose. You need a simple, easy to learn, easy to use personal note and task manager, like TopXNotes.

TopXNotes has been awarded 4 out of 5 mice by Macworld magazine in their "Summer of Mac Gems" series of reviews and 9 of 10 by Macsimum News. TopXNotes was favored by the Macworld reviewer for its "clean, single window interface that puts controls for highlighting and marking up your text right at your fingertips," as well as its exclusive QuickNotes feature.

### Minimum Requirements:

- \* Mac OS X Version 10.3.9 Panther or higher
- \* Universal Binary for PowerPC and Intel
- \* G4 Processor, 1GHz or faster
- \* 38.8 MB Hard Drive space

### Pricing and Availability:

TopXNotes is available for a discount of 20 percent off starting immediately through September 30, 2010. The coupon code is available on the MacVoices TV site.
