iWeb Themes Park suggests five new iWeb Themes for Apple's iWeb. The new surprising design

iWeb themes are dedicated to great variety of people, who like to share their hobbies, journey experiences, business services with a few friends or a huge audience on the internet. More attractive colors, better quality, a wider range of possibilities are the design improvements for new iWeb Themes. All the themes are so flexible, that everyone can achieve the perfect result in a blink of an eye.

Kaunas, Lithuania - iWeb Themes Park, the developer of stunning and miraculous web design solutions, suggests five new iWeb Themes for Apple's iWeb. The new surprising design themes: Florist, Green Bamboo, Photo Strip, Savings and Voyage are dedicated to great variety of people, who like to share their hobbies, journey experiences, business services with a few friends or a huge audience on the internet.

More attractive colors, better quality, a wider range of possibilities - that is how iWeb Themes Park team understands iWeb Themes design improvements. Building websites with iWeb

Themes is really simple. In addition, all the themes from iWeb Themes Park are so flexible, that everyone can achieve the perfect result in a blink of an eye.

70 iWeb Themes in "iWeb Themes Box" allow everyone to choose an iWeb theme for a website,

but not only that. Moreover, we should notice that the possibility to mix the elements (icons, pictures with transparent backgrounds or logos) among different themes allows everyone to get the best from iWeb to build the highest quality website.

New iWeb Themes expand solid themes' collection of iWeb Themes Park in new fields, such as hobbies, traveling and small business. "Voyage" theme is for sea travelers while "Green Bamboo" can represent a trip to the jungle. "Photo Strip" theme is a treasure for photo takers. "Florist" theme is perfect for a hobby or even business while "Savings" theme can represent family finance, small accounting or other finance-related services.

To use iWeb Themes from iWeb Themes Park requires just a Mac with iLife '08 (iWeb 2.0) or later.
