

iWeb Themes Park: All our iWeb templates work with iWeb from iLife '11

Published on 10/21/10

iWeb Themes Park today announce that all of their Themes are fully compatible with the new iWeb, which is coming with the new iLife '11. Everyone can be sure that the websites, which are built using iWeb Themes from iWeb Themes Park are provided with compatibility guarantee until the next iWeb or iLife release. More attractive colors, better quality, a wider range of possibilities are the design improvements for new iWeb Themes.

Kaunas, Lithuania - iWeb Themes Park, the developer of iWeb themes and templates for Apple's iWeb, has a competent answer to the huge amount of questions from iWeb users. All iWeb Themes from iWeb Themes Park work perfectly on the iWeb, which came with the new iLife '11 from Apple.

During the last months we got a huge amount of questions related with the new iLife '11. A lot of people are asking, if our iWeb themes are compatible with the new iWeb, which is coming with a new iLife '11. Until now we were not able to insure it by 100 per cent. We just promised to make them compatible in the shortest possible time and to inform them when we will do that.

Today we can proudly claim that iWeb Themes from iWeb Themes Park are fully compatible with the iWeb, which is coming with the new iLife '11 from Apple. Starting from today, everyone can be sure that the websites, which are built using iWeb Themes from iWeb Themes Park are provided with compatibility guarantee until the next iWeb or iLife release.
