

TimeStream Software Releases New Walt Disney World 3.0 iPhone App Update

Published on 12/31/10

Portland based TimeStream Software announces Walt Disney World Guide 3.0, an update to its popular Notescast app for the iPhone and iPod touch. The new app showcases all of Walt Disney World Resort with over 300 pages of in-depth information and more than 750 high-quality original photos. It is a powerful trip-planning and in-park resource showcasing every park Attraction, Parades, Restaurants, Annual events, What's New, What's Coming, Hotels, Ticket Information, Author's Tips and more.

Portland, Oregon - TimeStream Software announces the release of Version 3.0 of its popular "Walt Disney World Guide" Notescast app for the iPhone and iPod touch. Featuring over 300 pages of in-depth information and now with more than 750 original high-quality photos exclusive to the app, the new Version 3.0 is a powerful trip-planning and in-park resource showcasing every park Attraction, Parades, Restaurants, Annual events, What's New, What's Coming, Hotels, Ticket Information, Author's Tips and more. Over 20 main categories and countless sub-categories make this one of the most in-depth resources available for a mobile device and currently the best selling Walt Disney World related app on the App Store.

"The amount of detailed information in this app is amazing, from attractions and parades to restaurants and hotel rooms, we've gone the extra distance to provide users with the comprehensive in-depth information they want." said Mike Westby of TimeStream Software. "But what really sets the app apart is all the original high-quality photography. It's a combination of fun, dramatic and stunning, and there's a lot of it!"

Filled with more than 750 high-quality photos, nearly all of which are exclusive to the app and not available on the Internet or anywhere else, the new "Walt Disney World Guide" Notescast Version 3.0 contains over 300 pages of in-depth information covering nearly every aspect of the entire resort and all four theme parks, including the Magic Kingdom(R), Epcot(R), Disney's Animal Kingdom(R), Disney's Hollywood Studios(TM) and more.
