

## **Polo Planet Software released Phone Wallpaper X 1.3 Retail Edition**

Published on 05/20/08

Polo Planet Software announces the release of Phone Wallpaper X 1.3 Retail Edition. The update offers more than 150 professional photos to create unique and impressive wallpapers for any types of mobile phones displays, iPhone, PDA. High-quality ClipArt images can be used even as desktop backgrounds. The update also improves performance of program and appends import of custom folders into wallpapers gallery with automatic creation of backgrounds fitting any display resolution.

Poland - Polo Planet Software announces the release of Phone Wallpaper X 1.3 Retail Edition. The update offers more than 150 professional photos to create unique and impressive wallpapers for any types of mobile phones displays, iPhone, PDA. High-quality ClipArt images can be used even as desktop backgrounds. The update also improves performance of program and appends import of custom folders into wallpapers gallery with automatic creation of backgrounds fitting any display resolution.

Flexible image editor makes it possible to crop and resize wallpapers in accordance with the chosen display resolution. Extended editing tools are available: zoom/pan images, double-color background, flip and rotate, as well as graphics filters to enhance photos. Export into graphics formats is possible.

Wallpaper gallery includes a set of ready-made wallpapers of different resolutions to choose from: Abstract, Nature, Animals, Flowers and more. Gallery allows choosing pictures for uploading in batch mode through Bluetooth or USB. It is possible to organize newly created wallpapers in folders. Original files, remade into wallpapers, can be saved for further editing or preparation of the wallpapers for other display resolutions.

### Key features:

- \* Crop, Resize and Rotate images;
- \* Image Enhancement using Core Image filters;
- \* Address Book integration;
- \* Organize Wallpapers in the gallery;
- \* Bluetooth or USB uploading.

### System requirements:

- \* Mac OS X 10.4 or higher;
- \* At least 200MB of free disk space.

Phone Wallpaper X is a full functional shareware with Preview watermark. Retail Edition via download priced at \$19.95 USD. Retail Edition on CD priced at \$26.95 USD.
