

## **Sudoku+Str8ts the Hottest Number Puzzle Combo goes live**

Published on 01/24/11

Syndicated Puzzles is building on their franchise game called Str8ts by adding it as an irresistible combo alongside Sudoku. These two number puzzles come to life on the iPad and iPhone/touch as an universal app. Hand picked daily ensuring well thought out and challenging puzzles. All puzzles in this app are made by the world leading puzzle expert Andrew Stuart. These puzzles unfold beautifully and the quality is apparent from the moment you fill in your first number.

Victoria, Canada - Syndicated Puzzles is building on their franchise game called Str8ts by adding it as an irresistible combo alongside Sudoku. These two number puzzles come to life on the iPad and iPhone/touch as an universal app. The emphasis is strictly on quality not quantity. Players that may only have 30 to 60 minutes each day will be best served playing Sudoku Str8ts. Andrew Stuart is one of the few puzzle makers that has the skill level to turn numbers into musical notes enabling them to unfold beautifully similar to a symphony.

If you want to find out if Str8ts can compete with Sudoku this app for 0.99c is your best chance to compare both puzzles head on. This will be your daily go to universal app to quench your number puzzle thirst. This app looks and plays amazing on the iPad. Give your brain a real workout with Sudoku Str8ts.
