

Dogs Playing Poker - The Canine Cardsharks Come to Mac

Published on 04/04/11

Candywriter today introduces Dogs Playing Poker 1.0 for Mac OS X, a comic yet competitive take on the old meme. Designed for Texas Hold 'em novices, advanced poker players, and dog lovers alike, users select their dog breed of choice and then enter a five-round tournament that spans a junkyard, dog pound, train car, den, and Chinese restaurant kitchen. Almost a year in the making, the Mac version adds to the original with fully animated rooms and new characters.

Miami Beach, FL - Candywriter today is pleased to announce the immediate availability of Dogs Playing Poker 1.0 for Mac, a comic yet competitive take on the old meme. Dogs Playing Poker has been designed for Texas Hold 'em novices, advanced poker players, and dog lovers alike.

Dogs Playing Poker was a hit on the iPhone and iPaw'd last summer and could be found pre-installed at Apple retail stores around the world. Almost a year in the making, the Mac version adds to the original with fully animated rooms and new characters.

Users select their dog breed of choice and then enter a five-round tournament that spans a junkyard, dog pound, train car, den, and Chinese restaurant kitchen! On the way, users face off against 19 unique hounds and, as if the app wasn't entertaining enough already, a fox and a walrus have also been included in the line up.

Poker novices can quickly get up-to-speed on the ins and outs of Texas Hold 'em by completing the built-in tutorial. Experienced players can enjoy the diverse poker playing traits of the various characters and the hundreds of poker "tells" bundled into the game. Dogs Playing Poker is loaded with extra touches that range from the ability to pet and poke the dogs to a feature allowing you to tweet your results directly from the game.

Key Features:

- * 21 unique opponents with vastly different playing styles
- * 5 fully-animated rounds with accompanying musical themes
- * Detailed Texas Hold 'em tutorial for beginners
- * Detailed stat tracking and play analysis measuring luck, trickery, and overall performance
- * Complete Twitter integration

System Requirements:

- * Mac OS 10.6.6
- * 54.2 MB

Pricing and Availability:

Dogs Playing Poker 1.0 is only \$4.99 USD (or equivalent amount in other currencies) and available exclusively through the Mac App Store in the Games category. Review copies are available upon request.
