

Gadget Wrap Launches Nano Case Value Pak for iPod Nano

Published on 07/23/08

Gadget Wrap today announced the release of the Nano Case Value Pak, the next product in its new line of high quality, superior product offerings. Designed for today's busy on-the-go lifestyle, the Nano Case Value Pak is constructed from durable silicone to ensure it provides exceptional protection, a tailor-made fit, and lots of extra goodies.

New York, NY - Developer of high quality accessory products for Macintosh, iPod, and iPhone, Gadget Wrap, today announced the release of the Nano Case Value Pak, the next product in its new line of high quality, superior product offerings.

Designed for today's busy on-the-go lifestyle, the Nano Case Value Pak is constructed from durable silicone to ensure it provides exceptional protection and a tailor-made fit. In addition to a silicone case, each Nano Case Value Pak comes complete with a custom armband, belt clip, neck lanyard, screen protector, and fashionable matching ear caps, and is available in white, pink, blue, black, and black with white accents. The Nano Case Value Pak provides 3-in-1 functionality for easy portability at a very attractive price.

"We're very excited to bring our new product, the Nano Case Value Pak, to market," said Charleen Becchina, president of Gadget Wrap. "We know how busy our customers are, and the Nano Case Value Pak provides maximum versatility and value to go along with it maximum protection capabilities."

Pricing and Availability:

Priced at \$29.99 USD, The Gadget Wrap Nano Case Value Pak is available directly from the Gadget Wrap website.
