

## **Nuclear Nova introduces GL Golf 1.0 for iPhone and iPod Touch**

Published on 09/18/08

Nuclear Nova Software is proud to introduce GL Golf 1.0, their award winning 3D golfing game for iPhone and iPod Touch. By leveraging the iPhone's unique abilities and interface, GL Golf 1.0 offers a realistic physics system and graphics. Up to four players can golf five unique courses. Everything in a real game of golf is included, such as water hazards, sand traps, trees, bushes, wind, four seasons, different times to play, and much more.

Meadville, Pennsylvania - Nuclear Nova Software is proud to introduce GL Golf 1.0, their award winning 3D golfing game for iPhone and iPod Touch. By leveraging the iPhone's unique abilities and interface, this Open GL game offers a realistic physics system and smooth, fluid graphics for compelling game-play.

Up to four players can golf five unique courses. Everything in a real game of golf is included, such as water hazards, sand traps, trees, bushes, wind, four seasons, different times to play, and much more. Other unique features include game saving, 3 difficulty modes, mulligans, as well as different sets of clubs.
