MacSupportJobs today announced free single job post until the end of September 2008 to promote the launch of the site dedicated to the recruitment of Mac support professionals. MacSupportJobs is a job board dedicated to the Apple Mac support, development and sales community, listing Mac jobs from, employers, recruiters and agencies worldwide. For the rest of September we are offering employers the opportunity to post positions on the board for free to tryout the new service.

Hussigny-Godbrange, France - MacSupportJobs today announced free single job post until the end of September 2008 to promote the launch of the site dedicated to the recruitment of Mac support professionals.

MacSupportJobs is a job board dedicated to the Apple Mac support, development and sales community, listing Mac jobs from, employers, recruiters and agencies worldwide. For the rest of this month (September 2008) we are offering employers the opportunity to post positions on the board for free to tryout the new service.

Normally a single job post is a very competitive price of 50 Euros, allowing employers to list their position within 30 days on the site. All jobs are automatically added to the "Latest Jobs" rss feed which is reaching an ever increasing targeted audience of Mac professionals.

MacSupportJobs also offer two other price plans to their customers to suit the needs of different companies.

Multiple Job Post - is designed for companies looking to expand their Mac team and agencies with a limited number of Mac vacancies. Multiple Job Post offers the opportunity to list 3 positions within 60 days and costs 150 Euros. Also included is the ability to search the CV database for potential candidates and an exclusive employer homepage.

Unlimited Job Post - designed for specialist Mac agencies with a very cost effective tariff of 400 Euro. As the name suggests, post as many jobs as you like within 90 days. Also included in this plan is the ability to search the CV database and an exclusive homepage. You will also become a "Featured Employer" and your logo will be randomly displayed throughout the site linking people to all your listings.
