

## **Holidays Plus 1.1 released for iPhone and iPad - Free for a limited time**

Published on 09/08/11

Steve Development today releases Holidays Plus 1.1, an update to their popular holiday app for iOS. Holidays Plus is the most complete, easy-to-use holiday app, allowing anyone to find the date of a holiday or other notable day fast and easy and synchronize with their favorite calendar program. Easily transfer single dates or groups of dates to your calendar. Version 1.1 provides even more dates and some minor bug fixes. To celebrate this release the app is now temporarily available for free.

Arnhem, The Netherlands - Steve Development today updated their US holiday app Holidays Plus in the App Store to version 1.1. To celebrate this release the app is now temporarily available for free. Holidays Plus is the most complete, easy to use holiday app in the app store. With the Holidays Plus app you can find the date of a holiday or other notable day fast and easy and synchronize with your favorite calendar program. The update to 1.1 provides even more dates and some minor bug fixes.

### **Main Features:**
