

GlobeTipping 1.2 - Tipping Calculator and Advisor

Published on 09/14/11

Ukraine-based team Ivan Karpan and Evgeniy Lebed has released GlobeTipping 1.2 for iPhone, an update to their top-rated, global tipping calculator and advisor, which was named best by Travel Leisure magazine live on Today Show on NBC. In addition to calculating tips, unlike competitors the app also gives advise on when, how and how much to tip for 200 countries. The update also improves design and performance. Features include elegant and easy user interface and art design, presets, and more.

Kyiv, Ukraine - Ukraine-based team Ivan Karpan and Evgeniy Lebed has released GlobeTipping 1.2 for iPhone, an update to their top-rated, global tipping calculator and advisor, which was named best by Travel Leisure magazine live on Today Show on NBC. In addition to calculating tips, unlike competitors the app also gives advise on when, how and how much to tip for 200 countries. The update also improves design and performance.

Tourists, students, and businesspeople all contribute to a worldwide travel/tourism industry that takes in over one trillion dollars annually. And it is estimated that at any moment a half million people are aloft in passenger jets. Travelers with iPhones have over one hundred tipping calculators from which to choose. GlobeTipping for the iPhone has long been one of the top ten utilities in every one of the dozens of international iTunes App stores, including the US. Now, GlobeTipping 1.2 brings even more functionality to the app as well as design and performance improvements. Free version of the app is released as well.

Feature Highlights:

- * Elegant and easy to use user interface and art design
- * Calculates tips for multiple persons
- * Tips for 200 countries
- * Copy and paste functionality
- * Frequently used presets can be saved permanently in Favorites library
- * Named best by Travel Leisure magazine
- * Highlighted on Today TV Show on NBC

"We have received a lot of positive feedback from users of GlobeConvert," stated Co-Founder Ivan Karpan. "We are also very pleased with recent coverage on various blogs and also in Travel Leisure magazine and on Today TV Show on NBC."

Device Requirements:

- * iPhone compatible
- * iOS 4.0 or later
- * 5.8 MB

Pricing and Availability:

GlobeTipping 1.2 is available for free (ad supported) and for \$0.99 (ad-free, USD or equivalent in other currencies), and available worldwide exclusively through the App Store in the Utilities category. Review copies are available upon request.
