

Free Mail Stationery templates for Halloween

Published on 10/23/08

iPresentee today releases free Mail Stationery templates to be used with Apple's Mail software. Mail Stationery includes five awesome templates: Happy Pumpkins, Bloody Letter, Halloween Coffee, Skeleton and Hot Pumpkins. If there is ever a time for the beauty of ugliness and the delight of terror, Halloween must be it. Whether to send spooky Halloween greetings or funny ones, these new Mail Stationery templates will meet the needs of the majority of Mail app users.

Vilnius, Lithuania - iPresentee, the developer of add-ons for Apple's iWork and iLife applications, today releases free Mail Stationery templates to be used with Apple's Mail software. Mail Stationery includes five awesome templates: Happy Pumpkins, Bloody Letter, Halloween Coffee, Skeleton and Hot Pumpkins.

If there is ever a time for the beauty of ugliness and the delight of terror, Halloween must be it. Therefore iPresentee presents Mail Stationery templates designed especially for Halloween holiday. Whether to send spooky Halloween greetings or funny ones, new Mail Stationery templates will meet the needs of the majority of Mail application users.

Halloween is coming! Do not miss the opportunity to send unique Halloween greeting cards to your friends, family members, colleagues or others. Creating an e-mail with iPresentee released Mail Stationery templates is exactly the same as creating an e-mail using the usual Mail Stationery templates. The Stationery templates comes with an installer, so it will be displayed in Apple Mail New Message Stationery menu.

Minimum Requirements:

- * Mac OS X 10.5 with bundled Mail application
- * 15 MB Hard Drive space

Pricing and Availability:

Mail Stationery templates are offered free of charge. Free Mail Stationery templates for Halloween are available for download at the iPresentee's website. Samples and more information about Mail Stationery templates are available immediately at the iPresentee's website.
