

Azure Talon Software announces iLaugh 1.0 for iPhone and iPod Touch

Published on 10/31/08

Azure Talon Software has announced iLaugh 1.0, their joke database for iPhone and iPod Touch. For the price of a song, iLaugh is a fun little application that contains an endless database of hilarious jokes. It's a handy sidekick when entertaining guests, speaking to an audience, killing time or simply to cheer up a friend when they're feeling down. With sources containing a total of over twenty thousand jokes, users are guaranteed to always find a new joke.

Gimel, Switzerland - Azure Talon Software has announced iLaugh 1.0, their joke database for iPhone and iPod Touch. For the price of a song, iLaugh is a fun little application that contains an endless database of hilarious jokes. It's a handy sidekick when entertaining guests, speaking to an audience, killing time or simply to cheer up a friend when they're feeling down.

iLaugh is quite easy to use, and a perfect companion for comedians who're searching for that perfect punch line. With sources containing a total of over twenty thousand jokes (some of which are 100% clean), users are guaranteed to always find a new joke. Azure Talon will be releasing two, completely new and great sources very soon.
