

## **Anawiki Games releases Pony World Deluxe for Mac OS X**

Published on 10/30/08

Anawiki Games releases Pony World Deluxe, a world filled with the fun and adventures of ponies you create and control yourself. Decide whether your pony leads a peaceful life with family or devotes to working, farming or having fun. Play minigames and win trophies in the beauty contest, the races or the memory game. Earn money to extend and decorate your farm. Plant trees, flowers and bushes or build fountains, umbrellas and much more! The sheer variety will keep you entertained for hours.

Stargard Szczecinski, Poland - Anawiki Games is proud to announce the immediate availability of Pony World Deluxe, a world filled with the fun and adventures of ponies you create and control yourself. Decide whether your pony leads a peaceful life with their family or devotes themselves to working, farming or having fun.

Play minigames and win trophies in the beauty contest, the races or the memory game. Earn money to extend and decorate your farm. Plant trees, flowers and bushes or build fountains, umbrellas and much more! Develop your farm for profitable agriculture. Go to the disco or theater, launch fireworks or play hopscotch. The sheer variety of Pony World will keep you entertained for hours!

"We wanted to create a game that would give a lot of freedom to players - the feeling of a sandbox game without its downsides," said Roman Budzowski, CEO of Anawiki Games, "so the player has a task to fulfil but still has the freedom of a sandbox game."

Pony World Deluxe features heartwarming music and graphics and the freedom to play however you wish - no time limits, no restrictions. A host of items, buildings, locations to explore and activities to try will ensure hours of fun.

### Game features:

- \* Create, style and control your own ponies
- \* Decorate your farm with plants, rocks, fountains and more
- \* Send your ponies to work, or develop your farm for agriculture
- \* Take your ponies to the disco, theater, park and more
- \* Earn cash in the memory, beauty contest and racing minigames
- \* Take on scenarios, or just have fun!

### System Requirements:

- \* 1.2Ghz CPU
- \* 512Mb RAM
- \* Mac: OS X 10.3.9+ PowerPC/Intel
- \* PC: Windows XP/Vista/98SE/ME

### Pricing and Availability:

Pony World Deluxe can be purchased from the Anawiki web site for \$19.99 (USD). A free 60 minute demo for Macintosh is available for download.
