Luxembourg - Houdah Software is delighted to announce the immediate availability of ACTSudoku EASY for iPhone and iPod Touch. ACTSudoku EASY brings you all the signature features of ACTSudoku UNLIMITED at the unbeatable price of FREE. Enjoy the streamlined interface, the advanced game generator, the automatic markers, the intelligent hints... ACTSudoku EASY is of great help in discovering, learning and getting addicted to the popular Sudoku game. ACTSudoku UNLIMITED improves upon ACTSudoku EASY by offering 3 levels of difficulty.

ACTSudoku leads the pack of iPhone Sudoku implementations by providing a unique feature set. First and foremost it distinguishes itself by being backed by a powerful Sudoku generator. This generator will produce a virtually unlimited number of Sudoku games for 3 levels of difficulty. All game boards are symmetrical and guaranteed to be solvable by logic only. No guessing or backtracking required. The most noticeable advantage of ACTSudoku is its intuitive touch interface. This sports both positive (green) and negative (red) markers (pencil notes).

How is ACTSudoku unique?

- * Advanced game board generator
- * Virtually unlimited number of boards to play
- * Rotational symmetry
- * Boards guaranteed to be solvable by logic only
- * No guessing. No backtracking
- * Both positive (green) and negative (red) markers (pencil notes)
- * Optional automatic markers

What's new in ACTSudoku 1.5?

- * Intelligent & educational hint feature
- * Option to switch automatic markers on or off during game play
- * Setting integrated into the application's menus
- * Extensive Sudoku documentation
- * Option to use short taps to commit values
- * Option to show markers (pencil notes) as numbers
