Chicago, Illinois - Renkara Media Group is pleased to announce the release of AccelaStudy Korean | English, advanced Korean language education software for the iPhone and iPod Touch. AccelaStudy Korean | English delivers the largest Korean vocabulary list in the App Store along with AccelaStudy's powerful learning tools.

Features of AccelaStudy Korean | English include:

- * A comprehensive 2,100 word vocabulary list divided into more than 60 subject areas, including travel, food, occupational, health and body, and even advanced topics such as the economy, investment banking, and finance. Romanization is also provided for each Korean word to assist English-speakers in learning the Korean pronunciation.
- * Students can create custom study sets of vocabulary words within the application. Study sets can be of any size. Custom study sets allow a student to focus on words which are more interesting or important to them.
- * Several modes of study, including flashcards and a quiz mode, allow the student to study in the fashion most comfortable and intuitive for them. The quiz mode is an excellent way to measure progress.
- * All vocabulary words are quickly searchable in English or Korean, making it easy to look up unfamiliar words on the go.

Please see the AccelaStudy website for screenshots, demo and tutorial videos, and additional information.

System Requirements:

- * iPhone or iPod Touch

Pricing and Availability:

AccelaStudy Korean | English is priced at \$14.99 (USD), and is available for immediate download exclusively through Apple's App Store.
